Dear Judge Hollander, I am writing you because I been locked up 13 months for suspicious phone calls from my phone being tap and for some suspicious activity. On July 5 2019 I Danny Blue was charged with a superseding Indictment with conspiracy to distribute and posses with intent to distribute controlled substances in violation of 21 U.S.C Section 846 (Count 2) and possession of a firearm in furtherance of drug trafficking in violation of 18 U.S.C section 924(c) (Count 3) Twenty-four other individuals were also charged with related offenses. The evidence that me and my lawyer has gone over for the past year is not evidence of 924(c) or conspiracy. I was not caught with drugs on me or at my house or I'm not connected to no one on this case or connected to no drugs on this whole case only some suspicious phone calls from what I recall last time I was in your court room I was going to ~~trial~~ trial in from that experience only I know that's far from conspiracy. I keep asking my lawyer Christopher J. Purpura why I been locked up 13 months for suspicious activity that's not a crime plus I'm not apart of O+M. He keeps telling me he dont know. I think the system trying to rail road me because no person should be locked up for suspicious calls or activity that didn't lead to no drugs plus they never pulled me over to

to see if there suspicious activity was right, Judge Hollander you ~~can't~~ go over the evidence you're self in see I'm not lying, I'm being house at Northern Neck Regional Jail my court date for my motion hearing was the 27 and 29 of July I didn't go for what ever reason, I also have been moved from CDF in Baltimore because they said I Bullied a person that I know because he's charge with me. Its no Evidence or write up I did that, How can a Prosecutor look at the evidence against ~~me~~ me in know she don't have the right evidence for what I been charge with but keeping me locked up with all this Black lives Matters going on in the world plus the Covid-19. Judge Hollander I'm not asking favor but I ask u to please look over my case in see why I'm still sitting in Jail, While majority of my Co-defendants are home on the box records worse than mine, I ask if I may be placed on the box so I can be home with my two children up until trial, I appreciate your time reading this, Or ask the Prosecutor to let me go because of the Evidence look in see for your self.

Thank You!

Demetri Blue

I don't know if you remember me or not but I think my last case was your first trial, Judge Hollander can you please look at this case to see why I'm locked up for suspicious activity with NO Evidence of a Crime.
